

The first list of topic areas below provides links to publications from [NIDA's DRUG PUBS Research Dissemination Center \(RDC\)](#)

, NIDA's newest effort to expand dissemination of research-based information to the scientific community and the general public. The second list provides links to publications available from the Substance Abuse and Mental Health Services Administration [SAMHSA Health Information Network \(SHIN\)](#).

Publications may be ordered from these sources in printed copies or downloaded online. Please note that the

[Science Link](#)

part of the NNP Website provides links to network libraries and other resource centers where manuals, questionnaires, network policy documents, and other resources are also made available.
